1. Are there any changes to your Business Advisory Councils' structure or leadership since you submitted your plan for this academic year?

Since the submission of the 2022-23 plan for Southern Ohio ESC, Adams and Highland counties BAC the subcommittee which is named Highland County Workforce Leadership Council developed subgroups in the areas of chose a Director for the Alliance of Community Connections for Employer and Student Success (ACCESS). The Director at the desire of the council has driven the work for the Business Advisory Council. Prior to this year the ESC led the BAC meetings and although the ESC still takes the lead in inviting members, organizing the logistics etc. the hands-on work in developing the collaboration of businesses, community organizations, school districts and students has been directed by the Highland County Workforce Leadership Council and the ACCESS Director.

The BAC entered into Memorandums of Understanding agreements with the following agencies/organizations to cover the cost of the ACCESS Director, Transeo ACCESS Portal and affiliated functions and duties.

Southern State Community College, Southern Ohio Educational Service Center, Great Oaks Career Campus on behalf of the Highland County Schools Career Awareness Funds, GRIT, City of Greenfield, and the Highland County Commissioners
