

Focus on Fairfield

Fairfield Local
Schools

August, 2011

From the Superintendent.....

I would like to take this opportunity welcome everyone back to school for the 2011-12 school year. I hope that everybody had a restful and enjoyable summer. We have been busy interviewing and employing staff for the upcoming year. I want to welcome the new staff as well. Our new staff members are: Megan Wagoner (Kindergarten), Amy Cox (1st Grade), Ashli Martin (6th Math), and Mary Beth Irvin (Cafeteria). We are extremely pleased to have such a talented group of new staff.

I would like to commend the custodial and maintenance personnel who have worked diligently to get the building ready and it is looking great again this summer! Once again, all of our buses have passed inspection and are ready to roll. Thanks to all the transportation staff for keeping our fleet safe and running properly.

I would like to congratulate our students, staff, and parents on another great year. We are pleased with the results of the state-mandated OAA and OGT tests. While the scores are still preliminary it appears our district will once again be rated as "Effective" by obtaining 22 of 26 report card indicators. Our district achieved a Performance Index Rating of 99.5 just .5% below an Excellent Rating. Individually, the High School will receive a rating of "Excellent" while the Middle School and Elementary School will each receive an "Effective" rating. We look forward to bigger and better things this year.

I would like to update you on the use of the Permanent Improvement Levy funds thus far. We have purchased two school buses, a snow removal truck, and a van used to transport special needs students. All the classroom computers have been replaced and all teacher computers have been updated. We have purchased new Math (K-6) and Language Arts (K-3) books and materials and will be adding additional grades this year. The mobile labs have been increased to three with new computers for all labs. In addition, many small projects have been funded by the levy. Again, without the levy we would not have been able to do any of these projects.

Buses will be at capacity again this year, therefore, we will be limited in our ability to honor bus changes. Please be sure to look at the route information in this edition of Focus on Fairfield.

Please do your best to attend the Open House or Orientation for the appropriate grade level. At that time you will get to meet teachers and many school regulations and policies will be discussed. In addition, many of your questions regarding the operations of the buildings will be answered.

Each year the Fairfield Local Schools apply to the Ohio Department of Education for Waiver Days. These days are spent in professional development activities and students are dismissed from school on these days. We are still waiting on a response from the Ohio Department of Education. Once our dates are confirmed we will make the appropriate adjustments to our school calendar.

Again, welcome back for another exciting school year at Fairfield. If you should have any questions, concerns, or suggestions feel free to call or stop in.

ATTENDANCE POLICY

It is important that students attend school each day they are not ill. The compulsory school attendance law (Ohio Revised Code 3321) requires all students to be in attendance and in all classes assigned to them. Under Ohio school law pupils must attend unless they are 18 years of age. It is the desire of the Fairfield Local School District Board of Education to insure that students attend school regularly to obtain optimum benefit from their days in school. Since one of the criteria established by the Ohio Department of Education for determining whether school districts are excellent or deficient is the attendance rate, the Fairfield Local School District Board of Education directs the district administrators to develop a uniform set of rules, to be coded in the student handbook, to require regular school attendance.

Absences - Each time a student is absent from school or late to school, it is the parent's responsibility to call the school before 8:00 a.m. (Grades 7-12) or before 9:00 a.m. (Grades K-6) to provide an acceptable excuse for the student's absence. If no call is received we are required, as part of the child abduction law, to call the student's home or parent's work to confirm the student's absence. **Students are only permitted five (5) absences per quarter.** This includes both excused and unexcused. Notes from a doctor or court are not included in the count.

Required Written Excuses - There will be a **two (2) day limit** to submit any excuse; this includes excuses provided by the medical profession, court systems, or anyone else in a capacity to excuse absenteeism. This time frame will begin immediately following the last day of the absence.

Physician Excuses- A physician's excuse is only valid if the student was seen at the doctor's office and this excuse was returned within the two-day policy stated above.

Physical Education - This school will honor notes from parents for students to be excused from gym for a very limited period, normally, not to exceed one day. A note from a family physician must be presented to the office, if for some reason; a student cannot participate in physical education for any continued length of time.

Tardies - If a student arrives late to school (between 7:30-9:00 a.m. Grades 7-12 or 8:30-10:00 a.m. Grades K-6), he/she must report to the office and sign in and get a pass to class. **Three tardies equals one unexcused day.** Disciplinary measures will be administered for excessive tardies. **ON THE 4TH TARDY HIGH SCHOOL STUDENTS WILL LOSE PARKING/DRIVING PRIVILEGES FOR THE REMAINDER OF THE QUARTER.**

Other Absences - Students arriving after 9:00 AM Grades 7-12 will be counted one half (1/2) day absent, or leaving before 1:00 PM will also be counted one half (1/2) day absent. Students in Grades K-6 arriving after 10:00 AM or leaving before 2:00 PM will be counted one half (1/2) day absent.

Early checkout - Early check out is discouraged. Even the last few minutes of the school day are devoted to instruction, important reminders, and a review of homework assignments. Parents are urged to make doctor's appointments after school hours. If it becomes necessary for a student to be checked out of school, parents should report to the office and sign their child out. **Early checkout is considered when a child leaves between 1:00-2:30 p.m. Grades 7-12 or 2:00-3:30 p.m. Grades K-6. This is counted as a tardy.** Three tardies are counted as one unexcused absence.

Excessive absences - Students with more than twenty (20) days of excused or unexcused absences in a year or more than ten (10) days during a semester will not receive credit. N/C (no credit) will be placed on the grade card and the cum-folder. In the elementary and middle school, no credit means the student has failed for the semester or year. These days are inclusive, but days or classes missed due to representing Fairfield Local Schools or certified doctor's/court excuses do not count toward the twenty days. Exceptions can only be made by appeal to the attendance building principal.

On the third (3) and fifth (5) day of absence (excused or unexcused), a form letter will be sent home stating the importance of school attendance and reminding parents of the 20 days limitation in a year and the 10 days in a semester.

On the twenty-first (21) day of absence in a year and the eleventh (11) day in a semester, a student will be at no credit status.

Attendance Appeals - Absences will be monitored each grading period. Students who exceed five (5) absences per grading period must appeal those absences to the building principal the week following the end of the grading period or other deadline as announced by the building administration. **One day per quarter may be appealed.**

If the appeal is granted, the student will attend a four hour extended school session as assigned by the building administrator to make-up the absence. For extenuating circumstances, the building principal may accept an appeal at the end of the school year for any absences beyond the stated limits.

To initiate an appeal, a student, parent and/or guardian must appeal in writing to the building principal. Students who exceed the absence limits and whose appeals are denied and those students who exceed the absence limits and did not appeal will receive the grade of either 63 or the grade the student earned in the class, whichever is lower for the grading period in question.

After School Activities - any student, who is absent for a full or partial day when an activity is planned for that evening, shall not be permitted to participate or attend. Exceptions will only be considered if:

- (1) Approval has been given in advance of the beginning of the absence by the principal or his/her designee or
- (2) Written documentation of the absence is presented upon the student's return to school.

Suspensions - If a student is suspended out of school, he/she will receive a "0" for assignments NOT COMPLETED during that time. Students may make arrangements with the principal to pick up missed work for completion. Days of suspension do not count in the total toward loss of credit due to absences.

ATTENDANCE CONCERNS

Student's Responsibility - It is the parent/student's responsibility to attend school. When absent, the student is responsible to obtain all make-up work from his/her teachers immediately upon returning to school. For each excused absence, a student has the equal number of days plus one (1) to make up work. Teacher discretion may be exercised if additional days are needed.

Parent's Responsibility - Parents should encourage their son/daughter and make sure they attend school. A doctor's excuse may be required for your child's absence. Homework may be requested for the days your child is absent. The office should be notified by 10:00 am. Parents should pick up homework in the office at the end of the school day. Students must be in attendance on the day of an activity before attending or participating in a school activity.

Early arrival - Students are not to be dropped off for school prior to 7:15 am for 7-12 and 8:15 am for K-6.. Students are not permitted to be in classrooms or hallways unsupervised until their designated times. Failure to follow this procedure results in unsupervised students.

Afternoon Dismissal - Due to safety concerns, all children being picked up at the end of the school day must be signed out at the appropriate office. Parents are encouraged to not call after 3:00 p.m. (K-6) unless it is in case of an emergency, due to the confusion caused by late notification. No child will be allowed to enter the parking area unattended.

Students staying after school - Students are not permitted to stay after school unless approved by building principal.

Leaving School Grounds - No pupils will be permitted to leave school grounds while school is in session except for reasons approved by the principal

Elementary Parent Notification

As a recipient of Federal Title 1 funding, Fairfield Elementary School is required to notify parents of elementary students of their right to know about the professional qualifications of our elementary teachers. You have the right to know:

- If the teacher has met state qualifications and licensing criteria for the grade level and subject areas being taught.
- If the teacher is teaching under a temporary or emergency status in which state qualifications or licensing are waived.
- The teacher's baccalaureate degree major, graduate licensure, and field of discipline
- Whether the student is provided services by paraprofessionals, and, if so, their qualifications.

Any elementary parent wanting information should contact the Elementary Principal at 937-780-2988.

CHILD FIND

The Fairfield Local School District's adopted Child Find Policy requires that all children below twenty-two (22) years of age residing within the district, who have a disability regardless of the severity of the disability, and who are in need of special education and related services are identified, located, and evaluated in accordance with all federal regulations and state standards.

For children birth through age two, a disability means that a child have a behavior, cognition, communication, physical development, sensory development and/or social or emotional development deficit.

For children age three through five years of age, a disability means that a child has a documented deficit in one or more of the following areas: communication skills, hearing abilities, motor functioning, social emotional/ behavior functioning or vision abilities.

For school-age children, a disability means a person having one or more conditions such as autism, developmental handicap, hearing handicap, multi-handicap, orthopedicaly and/or other health handicaps, emotional/behavior handicap, specific learning disability, traumatic brain injury or vision handicap.

If you are aware of a child who you think may have a disability, please contact Deanne Miller, Director of Special Programs at 937-780-2221.

Federal Funding - 2011-2012

The Fairfield Local School District will receive federal funding through the following student programs for the 2011-2012 school year:

Title I - School-Wide Assistance
Title II-A - Improving Teacher Quality
Title II-D - Technology
Title V - Innovative Programs
IDEA - Early Childhood Special Education
Part B-IDEA - Special Education
Free & Reduced Lunch Program

The Consolidated Application for the 2011-2012 school year has been prepared and electronically submitted to the Ohio Department of Education.

Any parent, guardian, or other individual interested in reviewing the application should call Fairfield Local Schools at 937-780-2221 to schedule a review appointment.

2011-2012 SCHOOL YEAR CALENDAR

WELCOME TO THE FAIRFIELD FAMILY!!

1st Grade
Amy Cox

Kindergarten
Megan Wagoner

6th Grade Math
Ashli Martin

Cafeteria
Mary Beth Irvin

Thank You!

Once again, our baseball/softball complex was very busy this summer. In addition to the regular summer league, several tournaments were hosted here with people from all over the state attending.

THANK YOU to everyone who helped keep our facility top-notch! From getting the diamonds ready, to umpiring, coaching and cleaning up after the games... your dedication allows us to have one of the best programs and facilities in the area.

FAIRFIELD PTO

(Grades K-6th)

President - Amy Buddelmeyer
Vice-President - Cindy Baker
Secretary - Misty Campbell
Treasurer - LeeAnn Sheridan

WELCOME!! Whether you're new to Fairfield with a Kindergartner, have moved into our district, or are here on open enrollment, we are glad you are here! Please plan to attend our PTO meetings. Everyone is welcome and we would love to hear your ideas!!
