FAIRFIELD HEALTH GUIDELINES – Published July 29, 2021

Federal, state and local health authorities have issued recommended health protocol guidelines for the start of the 2021-2022 school year.

Fairfield Local School District recommends the following:

- The wearing of face coverings in our facility is voluntary.
- Obtaining a vaccine shot is voluntary.
- All students and staff perform a temperature check upon entering our facilities.
- All students and staff utilize hand sanitizing stations on a regular basis throughout the day.
- All students and staff follow proper hand washing as needed throughout the day.
- All students and staff maintain 3 feet of personal space throughout the school day.
- All students and staff are asked to bring personal water bottles until all touchless water fountains are installed.

Fairfield Local School District requires the following:

- All students and staff wear a face covering while on a school bus or van.
- All students and staff do not come to school if you have a temperature at home or are sick.

The CDC and the Ohio Department of Health recommend the following:

- All students and staff over 12 years of age receive a COVID-19 vaccine.
- All students and staff who are not vaccinated wear a face covering when in our facility.

These guidelines are subject to change based on changes made by federal, state or local authorities or a health emergency within our facilities.

It's a great day to be a Lion!
